when sold and delivered to the ultimate consumer.

[24 FR 4480, June 2, 1959, as amended at 25 FR 4318, May 14, 1960]

§ 303.30 Textile fiber products in form for consumer.

A textile fiber product shall be considered to be in the form intended for sale or delivery to, or for use by, the ultimate consumer when the manufacturing or processing of the textile fiber product is substantially complete. The fact that minor or insignificant details of the manufacturing or processing have not been completed shall not excuse the labeling of such products as to the required information. For example, a garment must be labeled even though such matters as the finishing of a hem or cuff or the affixing of buttons there-to remain to be completed.

§ 303.31 Invoice in lieu of label.

Where a textile fiber product is not in the form intended for sale, delivery to, or for use by the ultimate consumer, an invoice or other paper may be used in lieu of a label, and such invoice or other paper shall show, in addition to the name and address of the person issuing the invoice or other paper, the fiber content of such product as provided in the Act and regulations as well as any other required information.

§ 303.32 Products containing reused stuffing.

Any upholstered product, mattress, or cushion which contains stuffing which has been previously used as stuffing in any other upholstered product, mattress, or cushion shall have securely attached thereto a substantial tag or label, at least 2 inches (5.08 cm) by 3 inches (7.62 cm) in size, and statements thereon conspicuously stamped or printed in the English language and in plain type not less than 1/32 inch (8.38 mm) high, indicating that the stuffing therein is composed in whole or in part of "reused stuffing," "secondhand stuffing," "previously used stuffing," or "used stuffing."
